Greetings Graduates:

I hope this letter finds you well and ready to move on with your life plans and education!

**I have some news regarding the Oregon Promise benefits for the upcoming 2017/2018 school year:** The new EFC limit for 2017/2018 is \$18,000. Only students who are at or below the EFC limit will be eligible for Oregon Promise.

**If you applied for Oregon Promise:**

- You have to either check the [OSAC Student Portal](#) or watch for an email from OSAC. (the email will be sent to the email you listed when you applied)
- We have discovered that if you are selected for verification you will not get an email so I suggest you check OSAC directly.
- **If you were accepted**, please follow OSAC's directions as well as the college you plan on attending's Financial Aid Office.
- **If you are Denied**, please contact myself or your high school counselor. We have other possible ways to help you.

**If you were selected for verification:**

- Log on to your FAFSA application. Check your FAFSA EFC amount.
- If your EFC amount is \$18,000 or higher please contact myself or your high school counselor. We have other possible ways to help you.

I am happy to help you navigate through any problems you might encounter, just email me and we can get in contact.

Sincerely,

Wendy Marks
