

Greetings Seniors and Families, Below is some information about graduation night that may be helpful for your planning and our preparation for this amazing evening.

- Graduation is 7:00pm on June 7th at RedHawks Stadium. Gates open at 6:15.
- Please remember if you are not at graduation practice on June 6th at 1:30, you will not be allowed to walk in the ceremony on June 7th.
- We do not know the weather so be prepared for sun, wind, rain, cold, and heat. Who knows. It will be outside no matter what. If it rains there can be no umbrellas as it will block the view of those behind you.
- Each graduate will receive 8 tickets at their Senior Breakfast on June 2. This makes our capacity at the Stadium about 2200 people. Thus, this is all we can allocate.
- Every person entering the stadium must have a ticket - even children.
- You may enter at any of the 3 gates: NE Waverly gate, NW visitor gate or South main gate. Three gates will allow for quicker entry. You may choose any one of the 3 gates to enter.
- Seating will be available in the bleachers, on the football field and East and West Side of track. The track and field seating will be chairs.
- Please do all you can to limit distractions and noise during the ceremony. This is a monumental moment for our seniors and we all want to make sure the evening is amazing and all can hear and enjoy. As best you can please remain seated as well to limit distractions.
- Walking-Be prepared to walk as much of the parking is in the Tennis Court lot and you will have to walk all the way around the outside of campus.
- Handicap parking will be available in the pool parking lot.
- Translation will be available. You may check these devices at the Main Football Gate Entrance only. Norma Vargas will be there to assist you. These units must be checked out and returned after graduation as they are very expensive devices. For best reception please attempt to sit closer to the stage.
- Pictures-We will have 2 photographers who will take pictures. Jessica Jensen (school staff) will place them online for your ability to make prints. Mark Matteson a professional photographer will also take pictures and these will be available for you to purchase through Matteson Photography. *Please do not leave your seat to take pictures.*
- After graduation please stay seated until the students exit the stadium to their class song. You can all join up shortly after they exit the field.
- The ceremony will be live streamed and this link will be on our social media and emailed to Senior students and families.
