Camp Director Tim Matuszak enters his sixth year as South Albany's Head Boys Basketball Coach.

He will be accompanied at camp by a hard-working group of assistant coaches and RedHawk Varsity basketball players from both the boys and girls programs, who are committed to providing a positive atmosphere for everyone!

Our goal is to develop basketball skills, but also improve the teamwork, concepts, knowledge, and personal growth in each camper.

The morning session is designed for young players to develop basic fundamentals, encourage teamwork and sportsmanship, and for our campers to have FUN learning and playing the game.

The afternoon session will be more advanced, putting focus on individual skill development, installing program terminology, and offering tools/drills to develop well-rounded basketball players.

This session is extremely valuable to players hoping to continue their RedHawks basketball careers into high school.
